

Your Exclusive Invitation to Advertise on our Conservatory Mansion Website

As we revamp our Conservatory Mansion website, we are pleased to announce that it will now include an “Event Planning Business Directory” to make it easier for our customers to find services that will enable them to create the perfect memories that they envision for their occasions.

We are constantly being asked by our customers if we can provide them with a list of caterers or photographers, event planners or DJ’s or party rental companies that offer specific items (i.e. tents, jumpy houses, designer chairs, etc.). What better way to help them locate what they are looking for? Imagine how convenient it will be for someone to simply go to our website, click on your name/business name and be directed right to you, your social media page or website. The best part is that you will now have a chance to showcase your products and services to a broader audience which we hope will bring more business your way.

Getting added to our website couldn’t be easier, of course we will be selective* in who and what we allow to advertise (and be advertised) in our directory. After all, we pride ourselves in satisfying our customers and expect the same quality of reputable service from businesses that affiliate themselves with ours. **That is why we specifically invite YOU to be included on our Conservatory Mansion website.**

For \$15/month (that’s \$180/year) get noticed, improve your visibility and more importantly your chances of increasing your bottom line. Get booked, Get Booked, GET BOOKED! Interested??? Simply call the Conservatory Mansion office at (609) 858-2279 and provide us with your name, business name, contact info, service(s) offered, schedule an appointment to bring your payment, and voila! We accept cash, checks and money orders made payable to: Conservatory Mansion.

Looking forward to doing business with you!!

Thanks,
Jacqui Ivey, Owner

*We reserve the right to refuse businesses whose services, products and/or content do not meet our standards, mission or expectations, to advertise on our website.
